Referred to himself as a "Concerned Citizen". He wanted to know about Swain being kept in "Solitary Confinement". I tried to refer him elsewhere and he continued to tell me I was a Public Employee and I had to give him the information and then started asking, who decides if they are in seg and if I was a judge and jury? Beginning in September 2012 MANCI staff began reporting unauthorized flyers being posted in pods, and lying in large piles for inmates to pick up for review. In result of an investigation it was determined the inmates responsible that these pamphlets were distributed as "resistance manuals" to all inmates and other institutions across the state. The pamphlet incites other inmates to unite against prison administration stating a "joyous class war is coming, if you are a prison consider this an invitation. If you are a Warden consider this a threat." The pamphlet instructs inmates to -bring the prison system to the brink by:

- 1-run electrical appliances and flush sink water all day
- 2-get all prisoners to flush toilets at the same time breaking water mains
- 3-break machines in the kitchen and OPI
- 4-pour salt water in staff computers
- 5-cut phone and computer lines with razor blades
- 6-put gum, paperclips and staples in door locks
- 7-Demand all food, clothes and medical/dental you are entitled to
- 8-get gang members to unite against our common enemy
- 9-steal, sabotage, organize, strike, resist

The pamphlets informs prison administrators that control of the prisons will soon be lost and it will not be regained as administration is outnumbered 20 to 1 and face 50,000 warriors who are now organized as the 12 Monkeys. The pamphlet then warns prison administration not to do anything stupid or it will be a regret.

On 9/19/12 three inmates, [REDACTED], Swain, 243-205, and [REDACTED] were identified as being the creators of the 12 Monkey resistance organization. In result their cells were searched and the following evidence was found.

Found in possession of Swain 243-205 was anarchist articles Swain authored that had wording and ideologies that matched the 12 Monkey resistance movement. Swain was in the process of sending these articles to Redbird Prison Abolition to be published on his website. In the article he calls for

militant tactics to be implemented and states the state should make JPay profiteers pay by opening packages and lose fingers, feel bullets bouncing in their brain pan, vehicles exploding, and businesses going up in flames. Swain closes the article by stating, "We have to burn the JPays to the ground."

Swain's tattoos were also reviewed and captured as evidence in which he had the 12 Monkey logo tattooed on his leg which is identical to the 12 Monkey logo this group was putting on their "resistance manuals" they were mass distributing in the institution.

Found in possession of inmate [REDACTED] were the original blueprints used to make mass copies of the 12 Monkey resistance pamphlets found throughout the institution. In addition inmate [REDACTED] was in the process of creating 12 Monkeys newsletter titled "Guerilla 33". The introduction of this manual gives a description of its purpose stating, "The Guerrilla manual is directed at individual prisoners who want to be free and inspire others by working in small groups called "guerrilla columns." This manual teaches you organizing, strategy, and tactics." "This manual trains you how to take power away from the Warden and the Director, but it also applies to taking power from the Mayor, and polices, courts, prosecutors, Governor, and law makers. Within the newsletter were small articles authored by the 12 Monkey inmate members. One article titled "Everyone Rise" was authored by Monkey #12 was in inmate [REDACTED] possession for the newsletter. The original handwritten article was found in the possession of inmate [REDACTED]. This article calls for everyone to rise against authority, shake the walls and break the bonds of incarceration.

Also found in possession of inmate [REDACTED] was a photo copied book titled Errico Malatesta His Life & Ideas. Malatesta was an Italian anarchist that was imprisoned for 19 years before ultimately working with 30 others to start an insurrection and took over villages, attempted to murder a King before being arrested.

Through the course of the investigation U.S. mail was screened in accordance with AR 5120-9-18. From 10/2/12 to current date all three inmates have worked in conjunction with one another to continue to promote and develop their resistance movement and incite warfare on the ODRC as well as violent acts toward JPay and targeted Ohio citizens.

On 10/10/12 and 10/16/12 inmate [REDACTED] outgoing mail was opened. Inside the envelope on 10/10/12 was a press release he was sending to his mother to send out to 14 media organizations. The news release identifies themselves as an anarchist revolutionary group created to aid abused prisoners and bring resistance to ODRC. The 2nd news release from [REDACTED] states the FBI and OSHP are

investigating Mansfield Prisoner, Sean Swain in an alleged link to the internet hacker group "Anonymous". On 10/16/12 [REDACTED] sent out in the U.S. mail another news release. In this news release [REDACTED] identifies himself as Monkey #9 and states that resistance manuals have been copied and delivered to prisoners at every Ohio prison with the intent to inspire prisoners to resist the invalid hierarchy and multi-million dollar system ceasing its operation. [REDACTED] states the state of Ohio started the war, the Army of the 12 Monkeys will finish it.

On 10/16/12 an outgoing letter from [REDACTED] was opened in accordance with AR 5120-9-18. Inside the addressed to Ben Turk RedBird Columbus, OH inmate Swain 243-205 wrote a letter addressed to Senators, Representatives and the Ohio General Assembly. Inmate Swain informs them that he is at Mansfield Correctional Institution being investigated by the OSHP and the FBI. He speaks about the Army of 12 Monkeys sending letters to some of you claiming the internet organization "Anonymous" retrieved your personal information and planned to release it on the internet. The letters tells them that if they want to avoid release of your home information they should quickly adopt the Army of the 12 Monkey's legislative agenda: 1-abolish the death penalty 2-abolish the parole board 3-get rid of dams six feet high or less 4-ban fracking 5-outlaw the word "indians" for team mascots. Inmate Swain goes on about the OSHP and the fact that he may or may not have wrote this letter and how he was simply informing as a "messenger" of Anonymous groups intentions to release their personal information. Swain then informs them that according to the letter, Anonymous will release your personal information to the world. Strangers will have your information without your consent. Certainly, someone might burn your house down. Maybe, or, perhaps, you'll get holiday cards from people you never met. Who knows? There may be detriment or benefits...or both. Swain writes about his dislike on JPAY and the exclusive monopoly they now have over the money orders inmates receive. In the end of the letter Swain informs them the deadline is on November 5, 2012 in honor of Guy Fawkes, and then states, "I don't feel sorry for any of you scumbags" and signs it "Sean Swain".

The results of this investigation have determined that inmate Swain 243-205, [REDACTED], and [REDACTED] have conspired together as a group in an attempt to entice incarcerated inmates to resist prison administration and rules by incorporating violence and property damage. This is a direct violation of AR 5120-9-37 paragraph B section 1 forming, organizing, promoting, encouraging, recruiting for or participating in an unauthorized group. Section 2-Possessing creating, reproducing using or circulating etc. any material related to an unauthorized group. Section 3-Communicating support of, association with, or involvement in any unauthorized group. The form of communication may be verbal, through

codes, jargon, non-verbal, symbols, displays, drawings, graffiti, distinctive clothing, hairstyles, colors, ornaments etc. Section 4-Participating in criminal activities, or disruptive activities such as disturbances, riots, fostering racial or religious hatred, or union activities, and Section 5-violating institutional rules or directives or state or federal laws.

Rule 15-Rioting or encouraging others to riot

Rule 56-Use of telephone or mail in furtherance of any criminal activity.

All evidence regarding this investigation can be reviewed by RIB in the Investigator's office.

I would be very careful about distributing this much further; however, we do need to be aware that Swain and others are trying to develop ways to conceal propaganda like this and get it past your mail screeners.

MR. MELTON:

1. I HAVE 3 THINGS --

1. I NEED A GRIEVANCE FOR THE ANSWERS FOR TO THE MORNINGSIDE DATED 17 APR 13.
2. IF ANSWER WILL NOT PROVIDE SCOPE OF MY ISSUES THAT HAVE BEEN PAID FOR BY MY LOVED ONES, WHO WILL GIVE THEM TO ME? AND

3. IN REPLY TO YOUR LATE RESPONSE ABOUT MY MAIL -- YOU SAID, AND I QUOTE, "ALL MAIL THAT WAS NOT WITHHELD HAS ALREADY BEEN FORWARDED TO YOU." I BEE YOUR PARADOX, BUT THAT IS A NONSENSICAL STATEMENT EITHER MAIL IS FORWARDED OR IT IS WITHHELD, ALL MAIL NOT FORWARDED IS WITHHELD, ALL MAIL NOT WITHHELD IS FORWARDED.

MY PROBLEM IS, I KNOW MAIL ARRIVED HERE, I HAVE NOT RECEIVED IT, I HAVE NOT BEEN GIVEN A NOTICE OF WITHHOLDING, THAT MAIL INCLUDES 5 ZINES FROM EAST BAY PRISONER SUPPORT, 1 ISSUE OF SLINGSHOT FROM LONG MAIL INFO SHOP, 1 ISSUE OF 4 STRUGGLE MAGAZINE FROM CHANPA, ZINES FROM KENT BONDS TO PRISONERS.

I KNOW IT ARRIVED, JUST LIKE THE 3 STOLEN TRAM PAGES YOU FOUND. I KNOW THAT NO NOTICE OF WITHHOLDING HAS BEEN ISSUED, JUST LIKE THE 3 STOLEN TRAM PAGES. I HAVE NOT RECEIVED THEM, JUST LIKE THE 3 STOLEN TRAM PAGES.

IT IS QUICKLY BECOMING CLEAR THAT APPEALS TO REASON + TO LAW + TO MORALITY ARE FALLING ON DEAF EARS. IT IS QUICKLY BECOMING CLEAR THAT NONVIOLENT + STRUCTURALLY ESTABLISHED CHANNELS FOR RESOLVING STAFF HARASSMENT ARE TOTALLY INEFFECTIVE.

IF WE ARE NOW OPERATING OUTSIDE THE LAW, THEN I ACCEPT THESE TERMS, DON'T GET MAD.

Please note the attached kite/letter received from Swain 243205. He makes mention of a "fast" as of 4/29/13. He says it is not a hunger strike as he will accept trays, but not eat. The letter to Trevor Clark states that he will not communicate with ODRC staff with the exception of medical staff for medical reasons and a Rabbi or Jewish volunteers regarding spiritual matters. He will continue until I withdraw the Conduct Report (MANCI 13-2794) I wrote on him for threats against the institution. An Incident Report is to follow.

I believe this was a letter you received and someone (an Attorney?) was inquiring about Swain's Medical condition. I looked in the file and do NOT have the original. I have not had any more requests from outside sources stating they never received a response, so it appears it was taken care of.

Have any idea why Swain would attend Taleem/Juma? Just curious, they show him as declared Islamic on a class I am checking for separations.

Dear Sir:

We have been made aware of the denial of phone and email access to Sean Swain. It appears that this action is in retaliation to Mr. Swain. It is our position to join in with other advocacy groups across the state in protest of this action, if resolution is not made soon, including , but not limited to, a phone protest of the 200+ members set a days of business andor alive protest outside your office with media coverage.

I received a call from Shelby in Senator Gardner's office. Apparently a cousin of Sean Swain contacted them and was talking about you giving Senator Gardner's home address to some publication Earth something. I guess there is also a reference to this in the below Facebook link (which I can't access). Do you know anything about what they are talking about?

Our office received a complaint regarding inmate Sean Swain having a Facebook account. Upon reviewing Facebook, I found what appeared to be pages matching his departmental photograph. I have attached an URL (<https://www.facebook.com/pages/Free-sean-swain/598790506840785>) to the Facebook account in question. Inmate Swain is utilizing this Facebook account to intimidate, harass and threaten Departmental employees. I will forward you an official departmental image of inmate Swain in a separate email. Inmates in the state of Ohio are strictly prohibited from this type of communication. We would like you to investigate this account and disable this activity immediately. Also, I would like any information pertaining the establishment of this account. Because, if this was initiated in the institution, we have a potential breach in security. If you have any questions or concerns do not hesitate to contact me.

The pictures are taken by our General Activity Therapist, which has been an ongoing practice for years. Inmates pay for the pictures and they could be taken in a recreation cell or at their cell door through window, as these pictures were. This practice allows pictures to be taken without the inmate(s) being in cuffs.

Randy,

As you will see, there are several issues surrounding inmate Sean Swain #243-205 using JPay video visitation. Long story short, this cannot happen. Please contact JPay to ensure that inmate Swain's video visitation capabilities are disabled. It appears that he has two (2) scheduled for tomorrow. They cannot be completed. Subject: Constituent Concern: Ben Turk

Good afternoon ladies,

Ben Turk called my office in response to complaints from inmate #243205, Sean Swain. Mr. Turk indicated that he was supposed to video conference with Mr. Swain for 1 hour on both 1/31/15 & 2/1/15. He said that the video visits were abruptly canceled with no

notice or explanation. Mr. Turk has been able to communicate with Mr. Swain via phone and the inmate email. Thus far he has spoken with several other state agencies, including the assistant AG who is handling a case involving Mr. Swain, and no one has been able to tell him why they were canceled or who gave permission for them to be canceled. He also said that Mr. Swain has faced considerable retaliation in prison due to his numerous lawsuits against prison officials.

If you could please let me know anything about the video visit situation, I would appreciate it.

I spoke to Mr. Turk this morning and confirmed with him that inmate swain is not on a hunger strike. He and others continue to call the facility to badger staff because that's what he has asked/posted people to do.

Attached for your review is Jpay email correspondences that inmate Swain authored. He is again refusing [REDACTED] at this time. As you will see, he states "I could conceivably be dead within 48 hours..." "we'll see if they are willing to kill me..." He then goes on to write in his latest email correspondence that he will be "removed from population".

Mental health staff have talked to him and have determined that [REDACTED] Dr. Kline has been notified and he ordered that inmate Swain [REDACTED]

I'm sending this information to all of you because of the numerous phone calls that have been made from public interest folks into OSP & OSC. Due to him being removed from population, I'm sure that it will cause another wave of calls.

Ben, (3/4) FUCK SHERLOCK PAULIE SUPERGENIUS! FUCK THE ODRC!

Latest segment, hope to record for Sunday, Sean.

FREEDOM OR DEATH (SIGH...)

(Sigh.) I could really use a pizza right now. I'm on a hunger strike. You know, those useless, stupid, reformist actions that never result in anything good? Right. You can go back to segments on Reformism to figure out just what kind of hypocrite I am.

My last meal was Superbowl Sunday, and it kinda sucked. Anyway, here's what happened:

My good friend Ben Turk scheduled 2 hours of video visits with me. It works like Skype and it's a feature that JPay offers for twenty bucks an hour. To arrange it, Ben has to be on my visiting list and JPay email list - which he is. I see prisoners on my security level having these video visits routinely and nobody has ever had one cancelled by the Ohio Department of Rehabilitation and Correction... Until now.

Yep. We got the plug pulled on us. Ben is allowed to see me here in the visiting room, face to face, over and over, where there are thousands of safety and security concerns involved, but he can't see me over a computer where there are ZERO security and safety concerns.

Does that make any rational sense?

Not to get too far out in front of the facts here, but we suspect the Ohio Department of Rehabilitation and Correction is afraid we'll video from the visit, and that our speech in a public forum will be unflattering.

If it wasn't gonna be, it certainly will be now.

We expect they will attempt to say Ben is "media." Courts have permitted prisons to limit or refuse media visits IN the prison environment. The reason is, media IN THE INSTITUTION can be disruptive to the operation of the facility, requiring special accommodations and creating a drain on staff and resources. But with VIDEO visits, none of those rationales apply. There's no disruption, no special accommodation, no drain on staff or resources. A video visit is a video visit - whether scheduled by Barbara Walters or Joe Snowbucket.

Besides, Ben doesn't qualify as media. Just like me, he's never held down a respectable job in his life. So, if prison fascists define media because Ben posts my material online, that still doesn't hold water. Hundreds of other video visits...
