Sir

It does work but the location is terrible. The shower is in with all the transport clothing that we have in medical and it's very difficult to keep the area surrounding the tub dry. It is possible that he could get indoor rec and then a shower in 1C. If I need to make the area in medical work I can see about relocating the equipment that is in the room

Mr. Welch, Major,

In speaking with Sgt. Gault, there is nothing on the list of demands Swain has provided that would not be permitted or would conflict with RH policies. Sgt. Gault has already contacted the commissary regarding the incentive coffee. Sgt. Gault and CO Borck need to coordinate between them the delivery of laundry on Mondays and Wednesdays through the TPU laundry delivery. In addition, table time recreation should also be coordinated between them as well to ensure that an opportunity is provided. Finally, showers.....Swain is a RH inmate but currently housed in medical for the hunger strike so the decision needs to be made about the appropriate location for bathing? 1C, medical??? I will leave that up to Major Vance to decide as we currently have no open cells in TPU for a shower.

MRS WELCH —

I WRITE THIS AS EXPLANATION THAT YOU MAY OR MAY NOT WANT TO PASS ALONG TO THE DECISION-MAKERS AT GESTAPO HEADQUARTERS...

I WENT ON A 50-DAY HUNGER STRIKE THAT ENDED 14 FEB 17. I WAS UNDER THE IMPRESSION THAT THE OIRC AGREED TO LEAVE MY COMMUNICATIONS ALONE AND TO STOP DISCIPLINARY PRETEXTS. I KEPT MY END OF THE DEAL. IN APRIL 18, TREVOR CLARK HAD ANTONIO LEE SUSPEND MY COMMUNICATIONS AFTER A CAMPAIGN OF STEALING LEGAL MAIL. THAT BREACHED OUR DEAL.

THEN CAME THE "FAST-GOBLIN" CONDUCT REPORT AND ANOTHER TEN-DAY HUNGER STRIKE. THE OIRC NEVER MET THE TERMS OF THAT.

SO, IT IS NOT POSSIBLE FOR YOU AND I TO NEGOTIATE AN END TO THIS, AS THOSE IN CENTRAL OFFICE ARE RUTHLESS, RELENTLESS, LYING SCUMBAGS WHO WILL NOT KEEP THE AGREEMENT. THAT'S WHY I HAVE PAM STAKSIA AND 2 OTHER LAWYERS. SOMEONE AT CENTRAL OFFICE EMPLOYED BY STUART HUDSON CAN NEGOTIATE WITH HER. HER NUMBER IS (518) 441-2695. WHEN SHE INFORMS ME THAT ALL POINTS OF CONTENTION ARE RESOLVED AND AGREED TO IN WRITING, I WILL EAT.

PLEASE SHARE WITH THOSE IN CHARGE THAT THEY WILL GET TIRED OF KILLING ME BEFORE I GET TIRED OF DYING.

THANK YOU,

—S. L. WELCH

We will allow 25 at a time. No time frame. If the inmate gets searched later and the officer finds over 25, then let them confiscate them and write the ticket. I don't want to put the burden on the mailroom staff to track their envelopes. Obviously if they are receiving 25 a day for days in a row, we will adjust our tactics. Thanks.

**Subject:** Question for you regarding envelopes

We haven't exactly had to deal with this until recently, but now that Swain has thrown his hat into the getting too many envelopes ring, I figured I should ask you about an official amount of time. The policy only states that envelopes must come through allowed vendor, and envelopes won't count against package totals. The inmate handbook tells the inmates envelopes have a possession limit of 25. We have been telling inmates they can get 25 at a time "within a reasonable amount of time". Some inmates, like Swain, could go through 25 in a day. Do we want to set an official time frame or any other kind of limits? With some like Swain, I could see the potential for it to come back and bite us.

Inmate Swain stated that the site Blast Blog has been shut down and is not in operation. He states that the article is off the site and that the obituary was not sent out to be distributed. He indicated that he would like for all of this to go away and that he is pretty much done with all of this (in a nut shell). He maintains his innocence as well.

We can talk in more detail tomorrow.

Do you want to allow him to order manila envelopes? I have never seen a reason for them to order them. If they need a larger size envelope they can purchase it from us (.66 each) or that could be something that commissary may want to order and sell.

Ryan will be asking you about the attached order from Swain. We asked Greg Craft and he did not think he could order this and told us to ask you. It is hard to read this copy. If you need to see it better let me know and I will get it to you. He is ordering 5 Barn Swallow 5 Env. Ea. (25 total) at \$15.75 +tax = \$17.00 from the U.S. Postal Svc.

Thanks,

Rosemary

Disregard the last email about this issue. I fully understand what she was asking now. The question is can the inmate order them for himself and have them delivered here?

Good afternoon,

As you know, both inmates [REDACTED] R.C. 5120.21(F) and Swain 243-205 were returned from Virginia. I've been in the process of securing another location for both inmates. Approvals for both inmates just came in. They are both approved for Maryland.

Now we must ensure due process. Both inmates will need to be notified via the DRC 2099 of a classification hearing for interstate compact placement, giving them a 48-hour notice. Each inmate will then be given the opportunity at their hearing to submit any documentation pertaining to the transfer, to object. If the classification committee still decides the interstate compact transfer is appropriate, then the inmate is given the information for appeal. If either inmate wants to appeal, they do so by writing a letter to the Bureau Chief of Classification.

Please let me know if anyone has any questions. We will need this to be completed as soon as possible.

Thank you!

**Swain A243205: Committee recommends that Swain remain in Ohio**

12-22-21: Hearing held in accordance with 53-CLS-07 Interstate Corrections Compact for continuation of out of state placement. Swain requested that the hearing be audio recorded and to have his attorney present. Committee responded that neither 53-CLS-07 nor ORC 5120.50 stated that the hearing must be audio recorded; also, his attorney is not part of an administrative hearing. Swain requested to remain in Ohio to continue to receive support from his wife and significant others during his incarceration. Swain provided a written statement documenting his reasons to remain in Ohio to the committee; the committee scanned this documentation to his onbase file. Swain stated that his behavior earned him a reduced security level while incarcerated in Virginia, and he also submitted that his current behavior in Ohio has been positive as evidenced by his RIB history.

The committee has weighed the inmate's offense history, current behavior, verbal statements, written statements and support structure. The committee witnessed prosocial interactions with other inmates and staff during his out of cell time. The committee is aware of his support network as the committee has had several contacts with his significant others since his arrival to OSP. After taking all the documentation, testimony, and observations into collective account, the committee recommends that Swain remain in Ohio at his current security level. Committee recommendation served to inmate. Inmate stated that he will NOT appeal the committee recommendation. D.Crawford and T.Lamb OSP

Mr. Jeffery Mustard

Dear Mr. Mustard,

Please review the following inquiry and respond accordingly.

Subject of Inquiry: Hello OSP,

I am writing to inquire about my husband Sean Swain's transfer. A court case, Swain vs. Chambers-Smith has been filed in the Franklin County Court by Sean's lawyer Eric J. Allen. 21CV007954 because out of state transfer violates the Ohio constitution in which ALL Ohio citizens must follow. Earlena, intends to send Sean out of state and will not give him a reason. I have called Annette Chambers-Smith's family concern line and the personal working said there was "no reason stated" for his transfer. So, if there's no reason, why is Earlena transferring him? Anette Chambers-Smith has been served noticed about the case pending and has 28 days to respond. She has also been notified via email that her staff, Earleena intend to violate the constitution while there is a case pending. My question is: what is your reason for transferring him? why are you breaking the law? This will serve as an electronic archive of my complaint. I will eagerly await your response.

Lauren Swain.

You're going to get a kick outta this! She said there's no reason on any of the documents for him being transferred so it seems you're just a liar! It seems like this is just some spiteful stuff! Instead of fucking with sean why don't you write it in the burn book or something like Regina George did on mean girls....considering you are one...Oh! And don't bother trying to cover up your web of lies, I recorded the conversation and sent it off Sean's lawyer who has successfully sued the ODRC three times and won. Have a good on the play ground!!! Play well with others ... Oh wait...

Hi Roger, I'm routing you a DRC 1000. After talking to Ashley Parriman, I wanted to ask your advice. Please take a look at this and let me know if you think this is something that would rise to the level of harassment we should refer to law enforcement. The woman in question is Sean Swain's wife. Apparently, VADOC allowed them to marry while he was there. The thing is, Brenda responded to her correctly. According to administrative code, unless there is significant new information, the applicant cannot submit a new application less than 2 years after last being denied by the governor —this would be April of 2022 for Swain. Another thing that concerns me, is if she is blocked from Brenda, she will just start harassing constituent affairs. Alicia

**Subject:** APPEAL OF OUT-OF-STATE PLACEMENT OF SEAN SWAIN A243-205

Dear Chief Mustard:

The following will serve as an electronic archive of Sean Swain's appeal of out of state placement, as the appeal that Sean has transmitted below.

Lauren Swain

Executive Director

International Sean Swain Defense Committee

\*\*\*

#### APPEAL OF OUT OF STATE PLACEMENT

I, Sean Swain, A243-205, appeal the decision to subject me to out of state transfer made January 13, 2022. As I was not provided a form for filing this appeal, I proceed to send my appeal via electronic mail to be preserved in archive for any further proceedings. I present six reasons for this appeal:

1. The Ohio Constitution Forbids Out of State Transfer
2. O.R.C. Section 5120.50 Was Not Followed
3. No Reason Exists for the Transfer
4. Swain v. Chambers-Smith, Franklin County Case No. 21CV007954, Challenging This Transfer, is Pending
5. The Transfer is a Continuation of PREA Retaliation
6. The Transfer is Undue Hardship for Myself and Others

#### FACTS

In March 2013, during an illegal interrogation that he claimed to conduct on behalf of the FBI, former ODRC Counsel Trevor Clark subjected me to sexual assault that involved improper sexual touching and sexual demands. Thereafter, Chief Counsel Stephen Gray threatened in writing to interstate transfer me if I did not drop my PREA claim against Clark, which I did not drop.

Between 2013 and 2018, Clark devised a succession of disciplinary actions in retaliation for my PREA reportage, enlisting local staff to have me found guilty, engineered findings in a pattern of retaliation. In May 2018, days after I sued Clark in 2 separate county courts, Clark engineered the last of my disciplinary frame-ups, enlisting Lt. Kevin Chamblin to sign as charging official to charges that provably could not have occurred.

I appealed the guilty finding and won. I appealed the placement at higher security and won. In April 2019, without notice or hearing or process, I was placed in a van and illegally renditioned to Virginia, where even Virginia officials did not know the reason. My repeated inquiries to Interstate Compact Coordinator Earlena Shepherd were never answered.

In October 2021, I returned to Ohio.

On December 22, 2021, Unit Manager Crawford and Case Manager Lamb spoke with me to make determination about further out of state transfer, deciding I should remain in Ohio. Thereafter, Coordinator Shepherd, who will not reveal the reason for the prior or

1290

impending transfers, remanded their decision; not because the wrong facts were considered or because the decision did not reflect the facts, but because the conclusion was not what she desired. Facts and laws aside, the ODRC wants to toss me in a van to Maryland. On January 13, 2022, Ms. Crawford gave me a new Form 2099 recommending transfer. No hearing occurred. Nothing was on record. The reason for the transfer was, "for the original reason for which he was prior transferred"-- the "original reason," which was no reason given at all. So, I face transfer to Maryland for the same non-reason as my transfer to Virginia. On January 18, 2022, my wife Lauren Swain contacted the office of Annette Chambers-Smith to inquire as to why I was being transferred without any stated reason. In a conversation with the Assistant Director, which Lauren recorded, the Assistant Director searched the records and, in her own admission, discovered that the reason for transfer had been omitted from all relevant documents. That audio has been turned over to Attorney Eric J. Allen. Mr. Allen has filed Swain v. Chambers-Smith, Franklin County Case No. 21CV007954, challenging this transfer. It is pending in court. Based on these facts, I present the following arguments.

#### 1. The Ohio Constitution Forbids Out of State Transfer

Article I, Section 12, of the Ohio Constitution expressly sets forth in plain language: "No person shall be transported out of state, for any offense committed within the same..." This categorically forbids my transfer out of state, regardless of whatever statute might say to the contrary.

#### 2. O.R.C. Section 5120.50 Was Not Followed

O.R.C. Section 5120.50, which Ms. Crawford referenced in the initial paperwork of 23 December, requires a hearing, on the record, where I am informed of all of the reasons for my transfer. I have had no hearing. There was nothing on the record, despite availability of digital audio recording to create a hearing on the record just as R.I.B. is a hearing on the record. I was not informed of any reason for the transfer. I was told the reason for the transfer was, "for the original reason for which he was prior transferred"-- the "original reason," which was no reason given at all. Recall, the "original" transfer happened without me even receiving prior notification. Having heard the audio of the conversation between my wife and the Assistant Director, I now know why there was no reason given; the ODRC still has not officially come up with one it can legally admit. Absent compliance with O.R.C. Section 5120.50, my renditioning to another state is not an official or legal act but is, rather, a kidnapping and transport across state lines, which is a federal crime.

#### 3. No Reason Exists for the Transfer

Apart from the pattern of contrivances engineered by PREA violator Trevor Clark between 2012 and 2018, I am a model prisoner. In thirty-plus years, I have never been accused of a single act of violence. I have taken all available programs, earned a college degree, wrote two books in publication, and contributed weekly segments to a globally-syndicated radio show. I was honored by Rosa Parks personally for my peace work in prison in 2002. Since Clark's last retaliatory contrivance in 2018, I have spent two and a half years at a low-medium security prison in Virginia, without incident. I have been at OSP since October without incident. Local staff advocate for me to stay in Ohio. My security review, which even takes into account the retaliatory disciplinary contrivances manufactured by Trevor Clark, recommends my security status as Level 1 with a Level 2 override due to my time to the board. It could be easier argued that I am the least-dangerous prisoner in Ohio penal history than I am a legitimate candidate for out of state placement, based on the objective facts, based on the ODRC's own instruments and own staff conclusions.

#### 4. Swain v. Chambers-Smith, Franklin County Case No. 21CV007954, Challenging This Transfer, is Pending

Counsel Eric J. Allen has filed a lawsuit in Franklin County to challenge the constitutionality of this transfer, one reasonably expected to succeed based on the only prior case of its kind, Slider v. State Department of Rehabilitation and Correction, 1999 Ohio App. Lexis 2999, where the Fourth District Court of Appeals reversed a lower court determination that constitutional challenge to interstate transfer did not state a claim upon which relief could be granted. Thus, constitutional challenge to out of state transfer does, in fact, state claim upon which relief can be granted. If this case proceeds, out of state transfer will be legally prohibited entirely.

#### 5. The Transfer is a Continuation of PREA Retaliation

Former ODRC counsel Trevor Clark violated PREA. I reported it. I was threatened with out of state transfer if I did not drop my claim. I did not drop it. I was out of state transferred with the official reason left blank on all paperwork in record. I now face another out of state transfer. Under PREA, a federal statute, prison officials cannot retaliate for PREA claims that are unsubstantiated or even proven false. In this case, the claim was found unsubstantiated. I was not just threatened in writing with PREA retaliation, but the very retaliations that were threatened were then carried out, and were carried out without any official reason as justification. Trevor Clark violated PREA. Officials threatened retaliation. Clark created justifications for carrying out retaliation. The retaliation was carried out. It is now being continued. This transfer is a violation of PREA, a federal statute.

#### 6. The Transfer is Undue Hardship for Myself and Others

My wife Lauren lives in Toledo and attends a Masters program at Eastern Michigan and cannot move to Maryland. Retired Navy veteran Brian Wickensimer, a close friend in Ohio, is disabled and cannot travel to Maryland. Legal counsel cannot travel to Maryland to consult on current and future litigation. I filed federal litigation in Virginia that was dismissed when I was transferred to Ohio. I re-filed in Ohio and that will be dismissed if I get

transferred to Maryland. I am prevented from challenging my conviction due to this ongoing "diesel therapy."  
All of this constitutes undo hardship, carried out without ODRC so much as listing an excuse on its own paperwork.

**CONCLUSION**

This impending transfer is unconstitutional... illegal... without any conceivable rational basis... illegal... illegal... perfectly senseless... wrong... and obviously so. I ask that this transfer be stopped.

Respectfully Submitted,
