As there is nothing in the content of the following email that so much as implies anything other than perfectly legal expression, any effort to punish or to target the content of the following email for punishment would constitute free speech retaliation, a violation of the law. I write this as a legal notice so that, in the event that retaliation is undertaken, my new legal counsel, in filing a civil rights action, can point to this electronic notice and can demonstrate that prison officials reasonably knew their conduct was wrong.

That gets me into the ballpark of punitive damages that come out of your own pockets.

So, whatever you do, keep listening to those lawyers at central office who had law degrees and still couldn't find real jobs.

CONTINUE TO TERRORIZE ANARCHIST PRISONER SEAN SWAIN'S MAIL

It just never ends.

On February 16, Mailroom fart-goblin Ryan Applegate-- whose personal war against all anarchist literature made him globally famous --sent me another notice of withholding. This notice indicated that what was being withheld is a CD. The notice does not indicate who sent the CD, or where it came from, or what is on it, or why it was sent. It also does not indicate any criteria for withholding which is required on the form.

The notice was signed by Ryan Applegate, the same guy who has made it his full-time job to fuck with my mail.

As of the writing of that notice, 60% of the withheld mail at WCI, from 31 October to the present, belongs to me. In a prison of 1500 captives, 60% of withheld mail belongs to one of them... ever since the prison found out I got 'Last Act of the Circus Animals' published.

0926

Vengeance of small-minded, shitty people who cannot read a book, let alone write one.

Having received the notice, I sent kites to Fart-Goblin Applegate in an effort to find out some information about the CD. It is not possible for me to decide what to do-- either send it out or challenge the withholding --unless I know what the CD is and where it came from. So, I sent kites to the fart goblin to find out.

No answer.

Keep in mind, there is a 15-day limit before the CD gets tossed in the trash. It says so right on the form.

As the 15-day deadline got closer and I received no answers from the fart goblins in the mailroom, I sent the form in a kite to Institutional Inspector Cynthia "Notorious" Hill. As the prisoners' chief advocate, she is supposed to be able to get me answers.

She sent the form back without any answers at all, simply stating that ODRC Central Office ordered the withholding of the CD.

That still does not tell me anything. I still have no idea what is on the CD. For all I know, it was sent by prior counsel and my whole case file is on there. Or, it was sent from the parole board in answer to my public records request, and it has the photos of my apartment door and door frame that police had withheld-- photos that prove there was a break-in and that I acted in self defense.

Could be the greatest hits of the Go-Gos.

No way for me to know. All I know is that the ODRC's obsession with my mail continues for the sixth straight year and their absolute lack of regard for their own laws and rules also continues.

As best as I can tell, these are the [REDACTED] responsible for trying to fuck my life right now:

When contacting these assholes, there is no commentary too rude, too inflammatory, or too incendiary for you to express. The aim is to provide the necessary level of discomfort that will make them stop their current, illegal terror campaign so feel free to say whatever it is you think will achieve that level of discomfort for them. The more overwhelming the response, the better my chances of getting these petty idiots to stop fucking with me. Hi See Below

Check it out-see if I need to make any changes

TO: Inmate Swain 243-205
FROM: Ms. Hill, Inspector of Institutional Services
RE: JPay/Grievance Restriction
DATE: April 6, 2018

Inmate Swain

Administrative Rule 5120-9-31 describes in part how an inmate may be restricted access to the Grievance Procedure for "abuse or misuse" of the procedure.

In review of your grievance history and numerous TipLine submissions through the JPay system the Ohio Department of Rehabilitation and Correction-Division of Legal Services and the Chief Inspector's Office have suspended your JPay account until further review.

As per the above reference Administrative Rule, you are hereby restricted to the following:
Until the suspension is lifted, your access to step one of the Inmate Grievance Procedure, Informal Complaint Resolution, will be restricted. You will have unrestricted access to the kite system. Any "emergencies" you wish to address must be submitted in a kite to the Institutional Inspector. Upon receipt of your kite with an issue that could present a substantial risk of physical injury and ICR will be issued by this office which will be stamped with the Inspector's Office identification stamp. Once the ICR (with stamp) is received by the inspector and it is deemed appropriate the ICR will be scanned into the JPay system for staff response. A copy of the response will be forwarded to you from the inspector's office. The same process will be followed for the next 2 steps of the grievance procedure if necessary.

I also found out from the Sgt. -he was told by Mr. Craft (AA) to hear the ticket and give him the verbal warning

They did it as one of the concessions for Swain to cease his hunger strike

Hi Tony

I had to leave today- something has come up

Janet is aware to the kite from Swain- I told her it is being held until we hear from you

What I have written in the kite-prior to hold is the following

"Legal Services suspended the account. Please contact ODRC Legal Services regarding this matter."

As Janet is the UM for Swain's housing unit- I have advised her not to say anything more than that until we received more information

Should be in the office Monday morning

Have a nice weekend

RE: JPay/Grievance Restriction
DATE: April 6, 2018

Inmate Swain

Administrative Rule 5120-9-31 describes in part how an inmate may be restricted access to the Grievance Procedure for "abuse or misuse" of the procedure.

In review of your grievance history and numerous TipLine submissions through the JPay system the Ohio Department of Rehabilitation and Correction-Division of Legal Services and the Chief Inspector's Office have suspended your JPay account until further review.

As per the above reference Administrative Rule, you are hereby restricted to the following: Until the suspension is lifted, your access to step one of the Inmate Grievance Procedure, Informal Complaint Resolution, will be restricted. You will have unrestricted access to the kite system. Any "emergencies" you wish to address must be submitted in a kite to the Institutional Inspector. Upon receipt of your kite with an issue that could present a substantial risk of physical injury and ICR will be issued by this office which will be stamped with the Inspector's Office identification stamp. Once the ICR (with stamp) is received by the inspector and it is deemed appropriate the ICR will be scanned into the JPay system for staff response. A copy of the response will be forwarded to you from the inspector's office. The same process will be followed for the next 2 steps of the grievance procedure if necessary.

At this point we're not anticipating a problem with our inmate population. But there has been considerable traffic on social media and talk of a counter protest to include one of the former hostages. S.O. and OSHP were advised and are aware.

There are several security issues surrounding inmate Sean Swain #A243-205 using the JPay system. Long story short, all JPay privileges for inmate Sean Swain #A243205 need to be immediately suspended. We, as an agency, will review the suspension in 90 days. But, in the meantime, his privileges are to be permanently suspended. Also, the account is to remain suspended until you receive specific instructions from the Chief Inspector's Office. If you have any questions do not hesitate to contact me.

Question, would you have a problem with me issuing Swain a conduct report for a recent Jpay he is sending out? Towards the end of the email he states "Chances are, they will continue waging war and progressing toward their ultimate aims unless a situation develops that makes it too uncomfortable, too painful for them to do so.

Here's to bringing the pain.

Everywhere."

My name is attached and referenced multiple times in the email.
