VOL.1

BY HAZZARD FISH

ON Planet D.o.c.s In The YEAR OF OUR OPPRESSORS
2026 A Plan Was hatched To Infiltrate All Human
Slave farms In America. This Is The Story of
how CO's (Correctional oppressors) ARE CREATED.

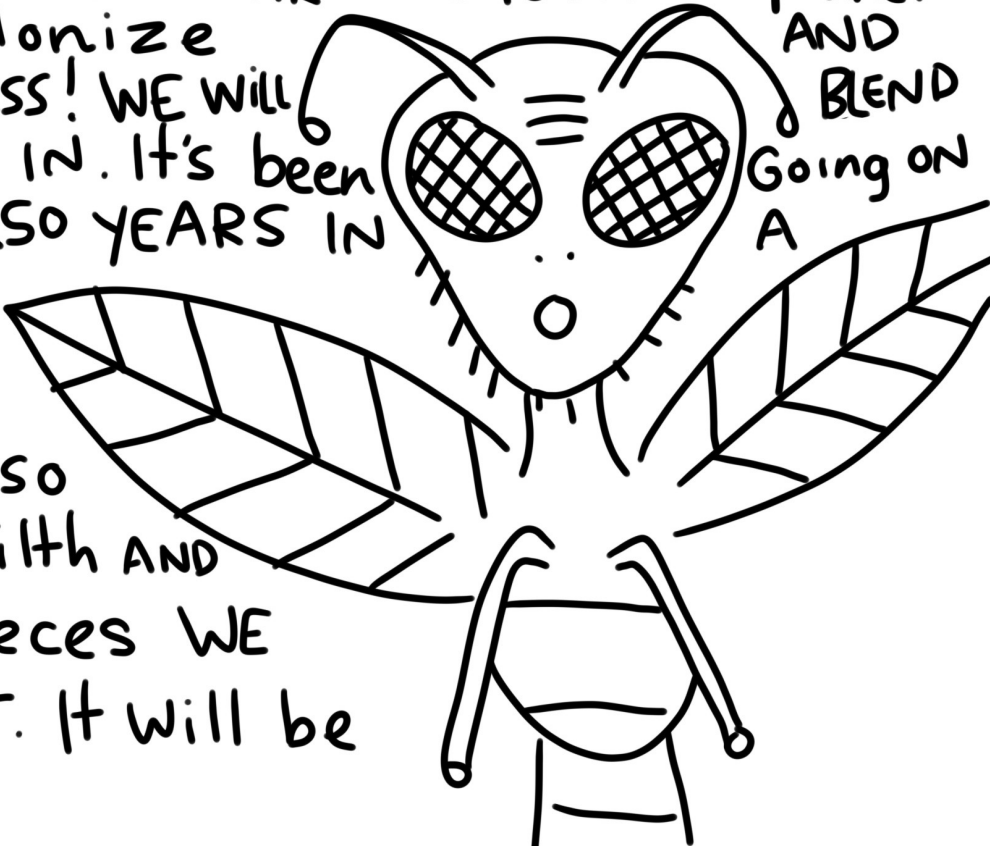

BUZZZZ...

OUR Planet IS DYING!
WE NEED A NEW Way to OPPRESS A NEW
Form of life. THE Feces WE have
Survived off of for the last 45,000
years has dried up! WE Will starve
Within a year if WE DONT leave!

BUZZZ

I'VE BEEN Computing...
I Think I've found a Planet
To colonize AND
OPPRESS! WE Will BEND
Right IN. It's been Going ON
For 250 YEARS IN A

Place called
AMERICA!
THERE IS SO
SO MUCH Filth AND
Human feces WE
Can Devour. It will be
PERFECT!

NOW THAT WE ARE
Officially Correctional
Officers WE MUST HATCH
OUR offspring AND FIND
A Suitable Place ON THE
Compound For THE LARVAE
TO GROW

BUZZ

A DAMP WET PLACE WOULD
BE BEST! Preferably A place
WHERE THE SLAVES Cannot
SEE OUR Activities AFTER
LOCKDOWN. ALSO off Camera

THAT WAS TOO EASY, ARE These Idiots REALLY IN CONTROL of MASS AMOUNTS of MONEY BODIES AND IMMORALITY? THEY CANNOT ALL BE SO UNINTELLIGENT CAN THEY?

BUZZ

WHEN'S LUNCH?

BUZZ

Did LT. TOLER JUST SAY Bug Spray?

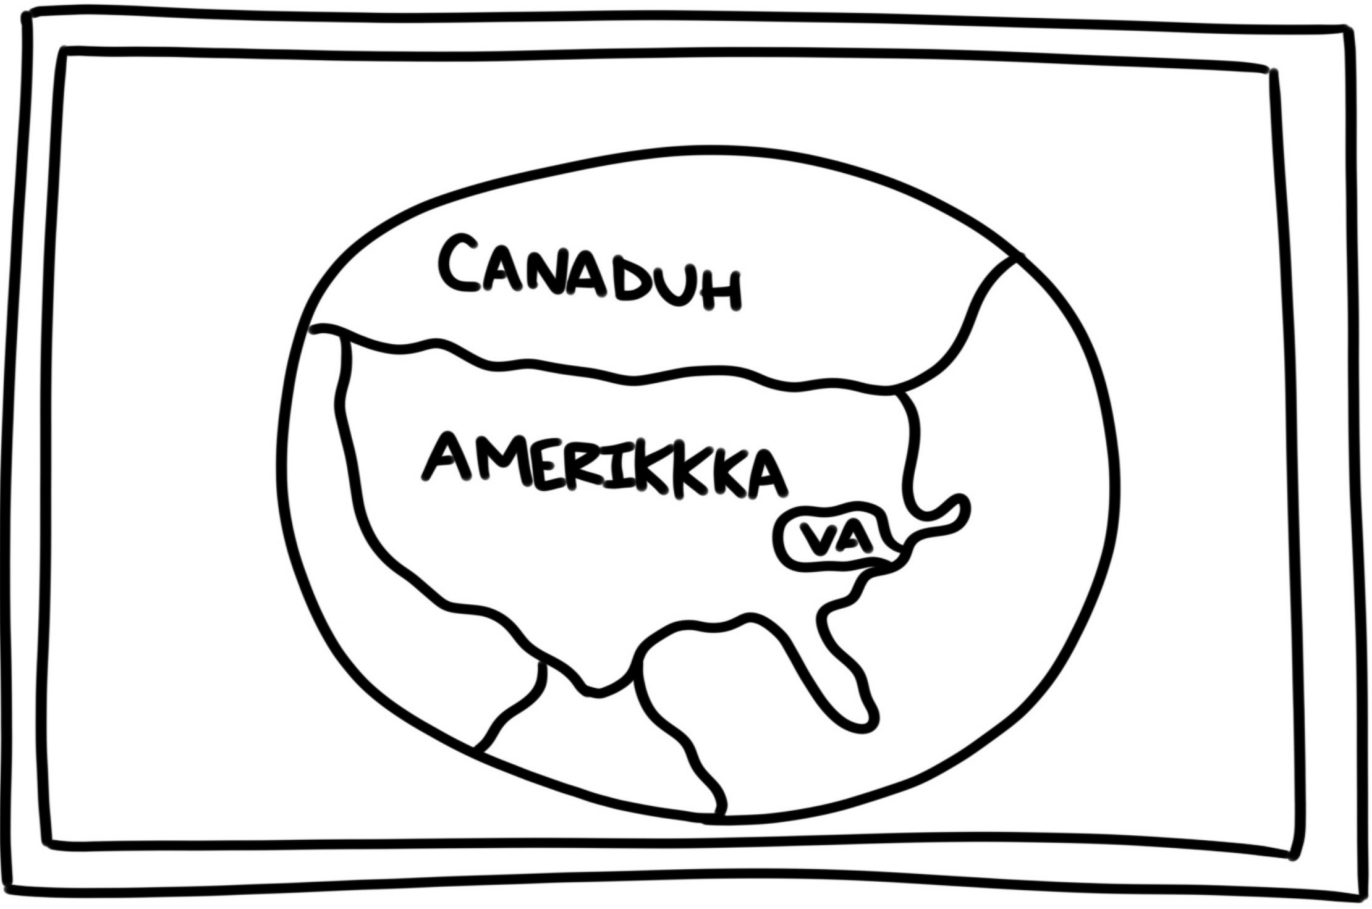

DOC

BUZZ

DOC

SOUNDED LIKE IT! WE MUST REMAIN Vigilant!

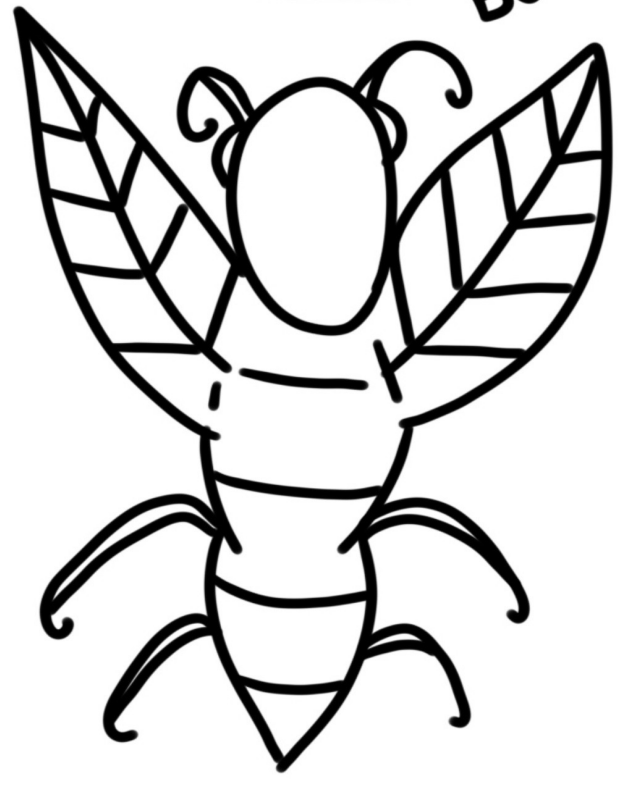

DOC

Looks Promising... WE MUST DISGUISE ourselves or it will NEVER WORK!

BUZZ

IVE GOT AN IDEA! There ARE A Subspecies of unintelligent beings Already There Called Correctional officers

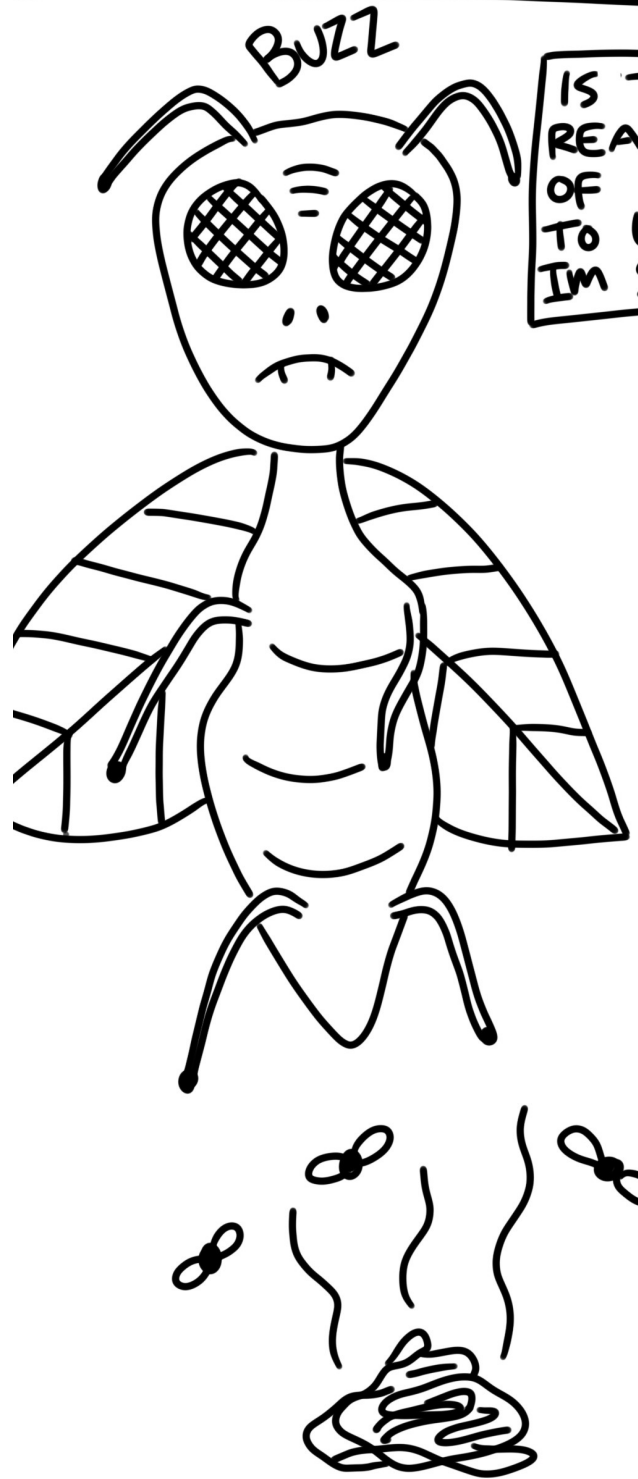

BUZZ

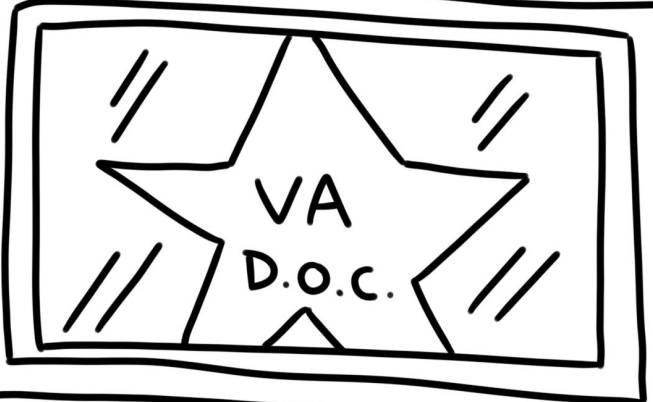

WE Can Easily Slip Right in! Zero intellect Required!

THE MOST UNINTELLIGENT Grouping of Them RESIDE AND gain EMPLOYMENT IN THE COMMONWEALTH STATE OF A PLACE CALLED VIRGINIA. It is Widely REPORTED TO BE ONE HUNDRED YEARS BEHIND IN Just About EVERYTHING! Literally Zero Progress has been MADE IN OVER 150 YEARS! AND Completely CORRUPT! THIS IS Going to BE FUN ANDEASY!

GREENROCK Correctional CENTER

IS THERE REALLY PLENTY OF FECES TO LIVE OFF? I'M STARVING!

MORE FECES THAN ANYWHERE ELSE! THE Virginia D.O.C. Seems TO BE ONE Large Pile Of Shit! I Will Inform THE Colony. WE FLY IN THE Morning!
