CO/FLIES

VOL.1

On Planet D.o.c.s In The year of our oppressors
2026 A Plan was hatched to infiltrate All Human
Slave farms In America. This Is The Story of
how CO's (Correctional oppressors) ARE CREATED.

BUZZZZ...

OUR Planet IS DYING!
WE NEED A NEW Way to oppress A NEW
Form of life. THE Feces WE have
Survived off of for the last 45,000
years has dried up! WE Will Starve
Within a year if WE DONT leave!

BUZZZ

IVE BEEN Computing...
I Think Ive found a Planet
To colonize AND
oppress! WE Will
Right IN. It's been
For 250 YEARS IN
A

Place called
AMERICA!
THERE IS so
So Much Filth AND
Human feces WE
Can Devour. It will be
PERFECT!

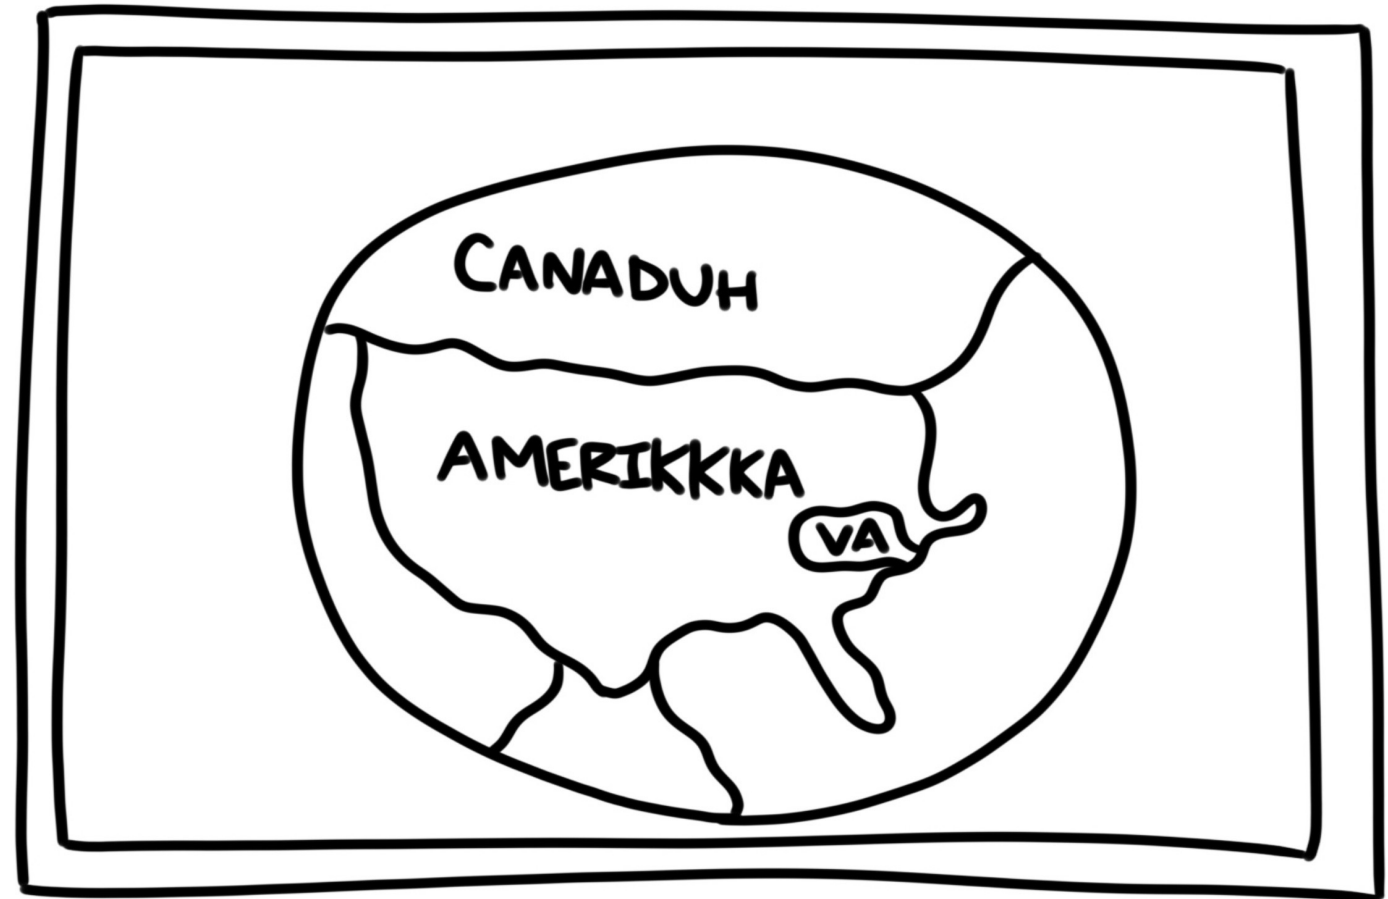

NOW THAT WE ARE
Officially Correctional
Officers WE MUST HATCH
OUR offspring AND FIND
A Suitable Place ON THE
Compound For THE LARVAE
TO GROW

A DAMP WET PLACE WOULD
BE BEST! Preferably A place
WHERE THE SLAVES Cannot
SEE OUR Activities AFTER
LOCKDOWN. Also off camera

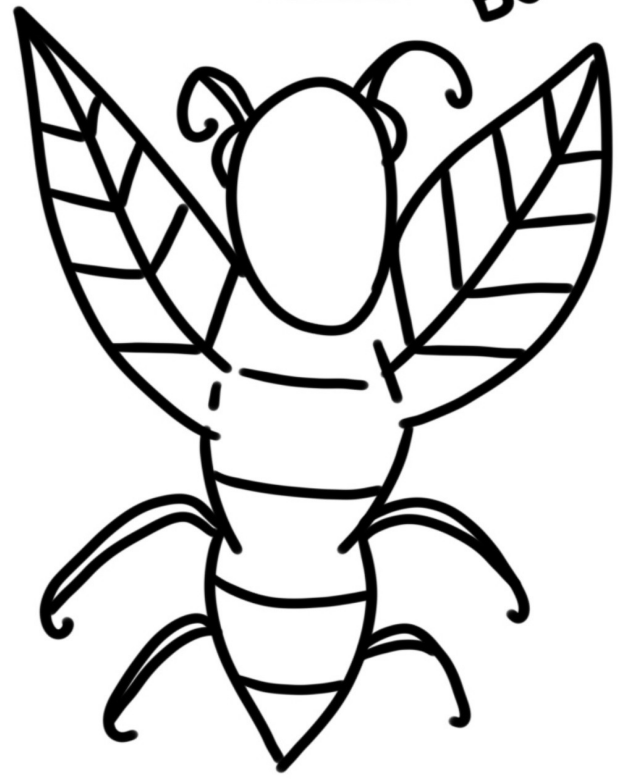

THAT WAS TOO EASY, ARE These Idiots
REALLY IN CONTROL of MASS AMOUNTS of
MONEY BODIES AND IMMORALITY?
THEY CANNOT ALL BE SO UNINTELLIGENT
CAN THEY?

Looks Promising...
WE MUST DISGUISE
ourselves or it will
NEVER WORK! BUZZ

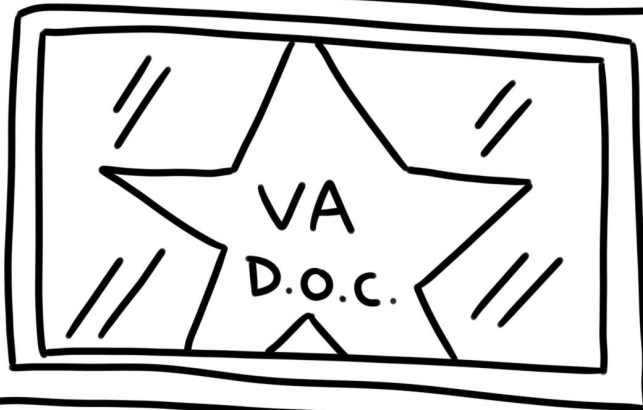

IVE GOT AN IDEA!
There ARE A Subspecies
of unintelligent beings
Already There Called
Correctional officers

THE MOST UNINTELLIGENT Grouping of Them
RESIDE AND gain EMPLOYMENT IN THE
COMMONWEALTH STATE OF A PLACE CALLED
VIRGINIA. IT IS Widely REPORTED TO BE
ONE HUNDRED YEARS BEHIND IN Just About
EVERYTHING! Literally Zero Progress has been
MADE IN OVER 150 YEARS! AND Completely
Corrupt! THIS IS Going to BE FUN AND EASY!

BUZZ

IS THERE
REALLY PLENTY
OF FECES
TO LIVE OFF?
I'M STARVING!

MORE FECES THAN
ANYWHERE ELSE!
THE Virginia D.O.C. Seems
TO BE ONE Large Pile
Of Shit!
I Will Inform THE Colony.
WE FLY IN THE Morning!
